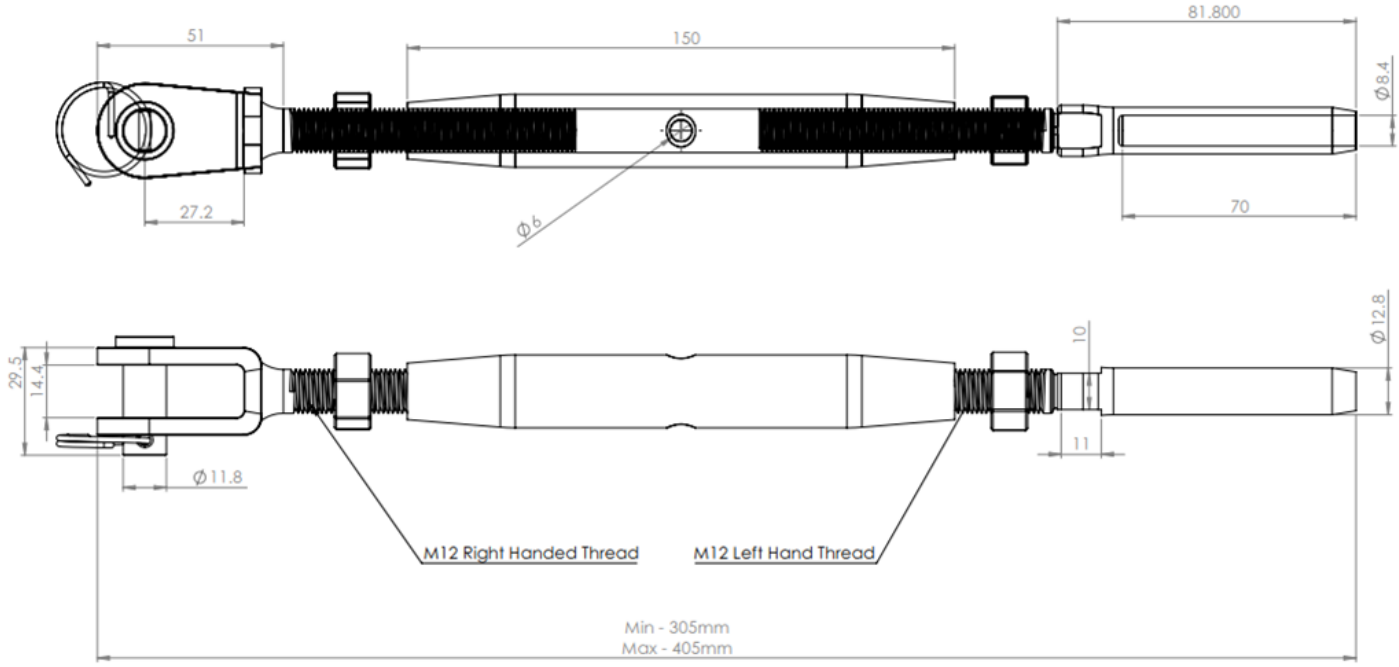
Tension Indicator

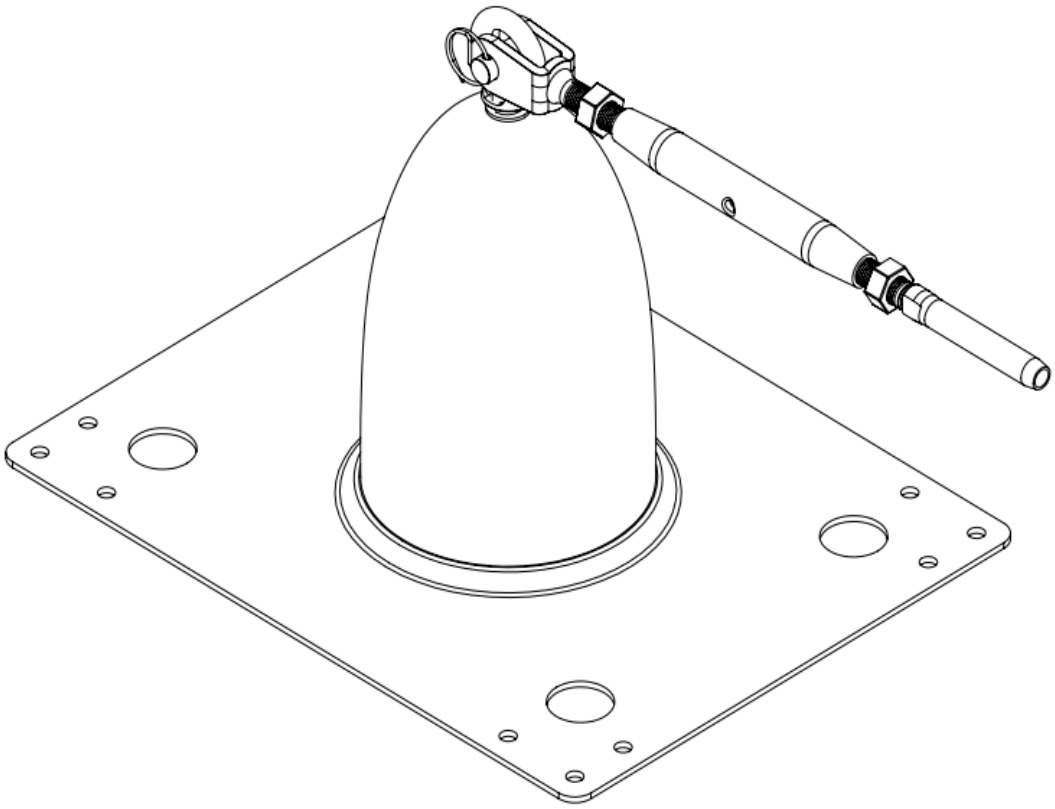


Specification

Product code	FP–LT
Material number	1501206
Material	Stainless steel grade 316
Finish	Polished
Weight (kg)	0.470
Quality	ISO 9001
Conformity	EN 795:2012, CEN/TS 16415:2013

Application

Line Tensioner to be fitted to start/end termination on Soter™ II high load or rigid structure/wall termination bracket to aid tension on longer lines or those with multiple deviations.



The details stated are results of tests and/or calculations and therefore are non-binding and do not represent guaranties or warranted characteristics for not specified applications.
All calculations therefore have to be checked and approved by the responsible planner ahead of execution. The user is responsible to assure compliance with all applicable laws and regulations.
